

**CENTRAL OHIO MILITARY MUSEUM
DONATION FORM**

COMM Supporter,

This will be our first year of operation, and your gift will aid in making our museum successful. We need your support. Please send your check or electronic payment.

You can visit our web page at thecomm.org to make an electronic donation, or fill out the form below and mail it in.

We have worked to establish a museum in the central Ohio area. We were fortunate enough to obtain the former VFW Post 11208 in Harrisburg, Ohio. It is a great beginning and will house a impressive collection of militaria. This collection includes personal items from veterans such as: uniforms, helmets, books, letters, photos, painting, maps, documents, insignia and many other military items. We are a 501 (C) 3 non-profit organization so your donation is tax deductible. We are fortunate to be able to preserve and honor our Armed Force Veterans.

Sincerely,

Bob Traphagan
President and Curator
